

Cooper Landing **GEM**

Dear Chamber Members,

We hope everyone is doing well and enjoying the summer. It seems like traffic increased considerably during the month of July. Hopefully this trend will continue through the rest of the summer.

Make sure to stop by the new Cooper Landing Brewery and enjoy a specialty pint on their spacious outdoor deck. Blue Yeti food truck is on site and offers a satisfying selection of sandwiches.

The Chamber Board will meet again in September. We will be sending out membership renewals both by mail and email.

We hope that those who qualified were successful in their CARES application. Here's to a busy, prosperous and most of all, safe August and September!

Sincerely,

Your Chamber Board

Cooper Landing Community Club

You may have noticed that the softball field is missing its fence. This summer we received a Cooper Landing Senior Citizens Corporation Inc. Endowment Fund Grant to update and improve the Softball Field. Dan and Dave have been working hard to repair the fencing around the field. They removed the existing fence to repair damages and/or replace sections as needed. We appreciate their hard work and dedication to the field.
