Upper Kenai Visitors Guide

Why Advertise in the Upper Kenai Visitors Guide

The Upper Kenai Visitors Guide is now being produced to exclusively cover the beauty, amenities and communities of Cooper Landing and Moose Pass in print and electronic formats. Our visitors are being shown by the locals what they love about where they live and what they love to do. The Upper Kenai Visitors Guide features a general overview of each community, trail maps, history, activities, business directories and Chamber members' business ads.

Features of Upper Kenai Visitors Guide

- Printing & Distribution of up to 20,000 copies. Made available at visitor centers in Anchorage, Seward, Soldotna, Kenai, and Homer. They also can be found at key RV and car rental businesses, hotels, airports, the military base, and a number of places in Anchorage, as well as at several locations throughout Cooper Landing and Moose Pass.
- Electronic version available to view on the Cooper Landing Chamber of Commerce and Moose Pass website and social media with direct links to your business or organization. Visitors can view the guide, click on links for more information, and share it with family and friends.
- The production of this guide is solely financed with ad sales. Any extra revenue will be invested back into expansion of the Upper Kenai Visitors Guide for the promotion of our communities.

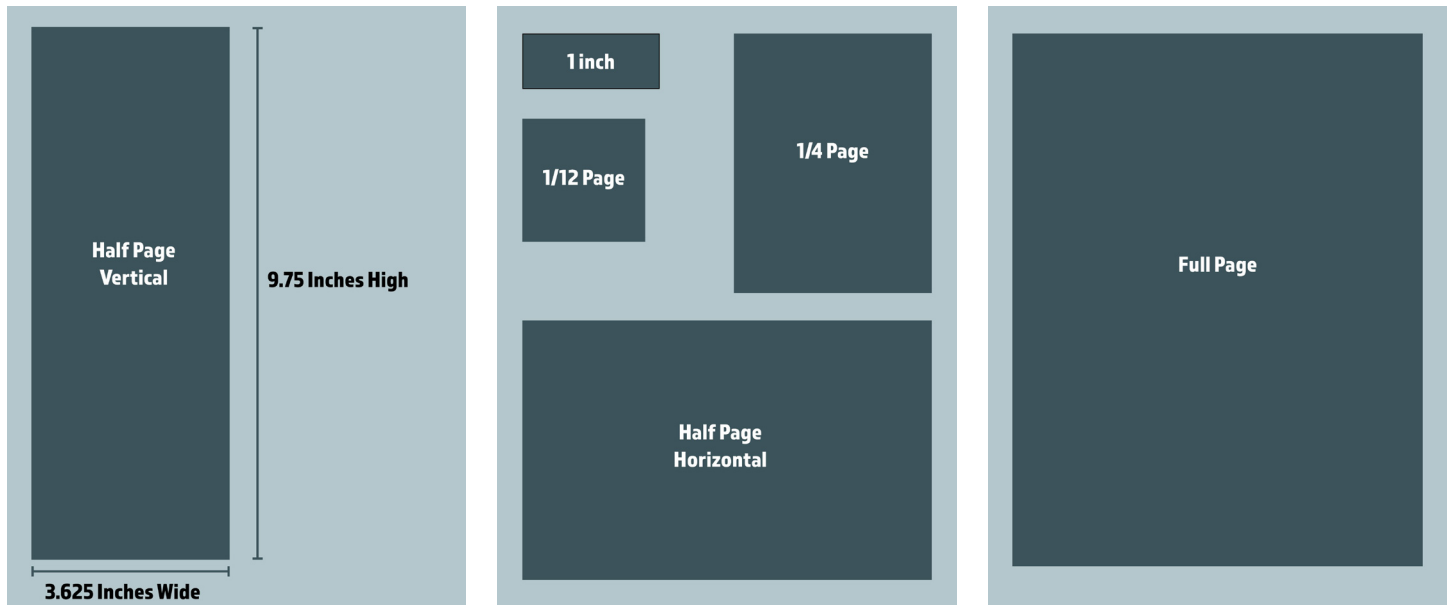

How being a Chamber Member Benefits Your Business

- Being a Chamber member provides access to numerous networking opportunities, business education programs, community support, and many more important benefits for your business or organization.
- A Chamber provides a central location for visitors to submit inquiries as to the unique qualities of your community and why they should spend their time there. This provides your business or organization with a referral service for your products and services.
- Exclusive advertising perks are also a benefit of being a Chamber member. We provide promotional and advertising opportunities through the Chamber website, brochure display, monthly newsletters, and social media promotion.
- You also benefit from networking opportunities. The Chamber gives you the opportunities to meet and connect with other local business and organization members. Building connections helps make business a positive and integral part to the community.
- The goal of the Chamber is to help support and further the interests of businesses and organizations within the community.
